Welcome to Syracuse University!

Syracuse University is a top-ranked research university where you will learn from, and work with, top experts from every field. Syracuse is also a student-focused university, which means that you can explore your interests outside of the classroom through service projects, clubs, sports, study abroad, entrepreneurship, the arts and cultural and social events. I encourage you to use Winter Welcome as a time to explore your academic and personal interests.

By participating in Winter Welcome, you are taking the first step toward becoming a member of a vast network of more than 250,000 Syracuse University alumni around the world. You take this step during the 150th anniversary of the founding of this great institution. You are joining a place that, at its best, has welcomed people of all backgrounds and afforded them opportunities to know and learn from each other. We ask you to model those values every day at Syracuse.

You join a fellowship of alumni who are leaders, innovators and game changers at the individual, community, national and global level—who will reach out to help students and fellow alumni network, find internships and build careers.

Winter New Student Convocation marks the official start of your academic career at Syracuse University. This guide will help you begin to take advantage of all of the opportunities that come your way.

I am so pleased you have chosen to be a part of Syracuse University. We look forward to welcoming you and your family to campus, to getting to know you, and to helping you achieve your goals.

Get ready for a great year ahead.

Sincerely,

Kent Syverud
Chancellor and President
What is Winter Welcome?
Winter Welcome is Syracuse University’s required new student orientation program. It serves as the gateway to your Syracuse University experience. During Winter Welcome, you’ll participate in academic, educational and social programs designed to make your transition seamless and fun. These programs and events will prepare you for your classes, get you settled into your residence hall, introduce you to campus services and resources, familiarize you with University traditions, and enable you to meet your fellow classmates.

The Office of First-Year and Transfer Programs (FYTP) is your host for Winter Welcome. FYTP is devoted to helping you make a successful and fulfilling transition to Syracuse University. From the day you are accepted throughout your Syracuse career, FYTP is your partner in academic excellence, achieving your personal goals, and eliminating any barriers between you and an excellent start to your life at Syracuse.

Accessibility Accommodations

Syracuse University is committed to equal access for students with disabilities. If you are a student who requires disability accommodations, please contact the Office of Disability Services at 315.443.4498.

If you are a family member and would like to request disability-related accommodations during Winter Welcome, please contact the Office of First-Year and Transfer Programs at 315.443.1012.

Please make such requests as early as possible to ensure time to arrange for and provide auxiliary aids and services.

Shipping to Campus

UPS, FedEx and other parcel services deliver to Syracuse University, but not directly to your room or apartment. You can send packages to your campus address. Remember to include your full address, which varies depending on where you live on campus.

If you live in a residence hall, you will be assigned a mailbox in your residence hall at check-in and receive information about package pickup at your hall.

What’s my (residence hall) address?
Your name
Residence hall name and room number
Residence hall street address
Syracuse, NY 13244

Example:
Otto the Orange
Booth Hall Room 44
505 Comstock Ave.
Syracuse, NY 13244

If You Live at South Campus

All South Campus apartments have mailbox clusters located close to apartments and along walkways. Each apartment is assigned a mailbox, and residents are issued mailbox keys during check-in. Mailbox clusters also include larger mailboxes for USPS packages. Packages delivered by other services (e.g., UPS) are delivered directly to student apartments.

What’s my (South Campus) address?
Your name
Building number, street name, apartment number

Parking Permits

Residential first-year students may not bring vehicles to campus without prior approval by Parking and Transit Services. For eligible students, pre-purchased parking permits may be picked up or permits may be purchased at the Parking and Transit Services Office at 621 Skytop Road during the following hours:

**Friday, Jan. 10** 8:30 a.m.-5 p.m.
**Saturday, Jan. 11** noon-4 p.m.
**Sunday, Jan. 12** 10 a.m.-4 p.m.

For more information about parking permits, call Parking and Transit Services at 315.443.4652.

GETTING CONNECTED

All Syracuse University residences boast high-speed wireless and wired network coverage. You will receive information about connecting your devices to the Syracuse University networks when you check into your residence hall. To connect, you will need your Syracuse University NetID and password, and access to your device’s administrator account. Information Technology Services (ITS) will provide technical support during Winter Welcome as follows:

At the **ITS Service Center**, room 1-227 Center for Science and Technology

Call **315.443.2677**
Email help@syr.edu
Search answers.syr.edu

Visit its.syr.edu/its_service_center for detailed information about ITS Support Services, including locations and hours for walk-in support.
Your SU I.D. Card

What Is Your SU I.D.?
The SU I.D. card is the official University identification card for every student, faculty and staff member at Syracuse. Your SU I.D. lets you do all the following and more:

- Gain entry to various campus facilities
- Access your meal plan
- Check out library materials
- Ride campus shuttle buses for free
- Use campus recreation facilities
- Use FOOD and PLUS funds

FOOD Account
FOOD is a declining balance account, which can be used in all Food Services locations (including dining centers, food courts and vending machines) for food and non-alcoholic beverage purchases.

PLUS Account
PLUS is a declining balance cash account, which provides access to goods and services through your SU I.D. Card. The PLUS account can be used in campus washers/dryers, the Dome Box Office, at the 'Cuse Copy Center, in campus convenience stores and many more locations.

GET Funds
The GET online application—get.cbord.com/syracuse or through the GET mobile app available at your app store—allows for instantaneous addition of funds to your FOOD or PLUS accounts. A parent or family member needs to know your SU I.D. number to add to your account. Students also have the opportunity to register their account and email a parent or family member if funds are low.

Obtaining Your SU I.D.
Before the Jan. 8 deadline, upload your photo via the website—housingmealplans.syr.edu/i-d-cards/photo-submission—so that your SU I.D. can be ready when you arrive on campus. If you uploaded your photo by the deadline, your SU I.D. will be waiting for you when you check in to your residence hall or South Campus apartment. SU I.D. cards will not be distributed before your check-in/move-in pass time.

DIDN'T UPLOAD YOUR PHOTO?
If you did not upload your photo, you need to visit the Housing, Meal Plan and I.D. Card Service Center at 206 Steele Hall to have your photo taken and card made. Please remember to bring some form of photo identification with you when you visit the Service Center.

Commuter Students
If you submitted your photo, you can pick up your SU I.D. card from the Housing, Meal Plan and I.D. Card Service Center at 206 Steele Hall during the following hours:

- Friday, Jan. 10: 8:30 a.m.-5 p.m.
- Saturday, Jan. 11: noon-4 p.m.
- Sunday, Jan. 12: 10 a.m.-4 p.m.
Some Important Academic Requirements and Resources

Online Placement Exams
All new students are expected to take all applicable placement exams before registering for classes. You can take the online exams before 6 p.m. on Friday, Jan. 10, from any computer with Internet access by going to myslice.syr.edu and clicking on “Take Placement Exam.” For more information about the requirements specific to your program of study, consult the registration materials for your school or college.

English Language Assessment
If you are a non-native English speaker, you are required to take the English Language Assessment Exam (ELAE). Please go to Kittredge Auditorium in H.B. Crouse Hall (Basement) on Thursday, Jan. 9, or Friday, Jan. 10, at noon. Bring a No. 2 Pencil and your SU I.D. Please register at bit.ly/Spring2020ELAE. If you have questions, contact the English to Speakers of Other Languages coordinator, Matthew Hammill, Ph.D., at mjhammil@syr.edu.

Foreign Languages
Any student interested in taking a language must take a placement exam to register for a course. Placement exams are only available on MySlice. To be properly registered, you must take the appropriate placement exam online prior to submitting your course request forms. Please follow the instructions for registering for language classes, which can be found in the registration materials for your school or college. Information about all languages offered may be found at lang.syr.edu, click on “Academics” and select the appropriate language.

Mathematics
If you wish to register for a mathematics class, you must take the placement exam available at myslice.syr.edu.

Accessibility
Students who will require disability-related accommodations on placement exams should contact the Office of Disability Services at 315.443.4498 in advance.

Academic Advising
Academic advising is an essential component of a Syracuse University education. A successful system of academic advising is highly dependent upon a shared commitment of students, faculty and staff to the process and availability of timely, accurate information.

Student Responsibilities
Students are responsible for scheduling, preparing for and keeping advising appointments; for seeking out contacts and information; and for knowing the basic requirements of their individual programs. Students bear the final responsibility for making their own decisions based on the best information and advice available and, ultimately, on their own judgment.

Advisor Responsibilities
Advisors are responsible for developing a thorough knowledge of the degree requirements within the student’s program of study and a working knowledge of academic options and resources throughout the University. Advisors are expected to involve students by encouraging them to ask questions, gather information, and explore options so they may develop meaningful academic plans.

Orange SUccess and Degree Works
Orange SUccess and Degree Works are web-based tools providing comprehensive advising and degree audit support for all students of Syracuse University. You can connect to faculty and staff to help you have a successful academic career and stay on track for degree completion. Make sure to attend the required ‘CuseTech session on Sunday, Jan. 12, at 3 p.m. for a hands-on workshop with these services.

To get started, access Orange SUccess through MySlice, Blackboard or the Syracuse University Mobile app; or Degree Works through MySlice. Click the links labeled “Ask for Help in Orange SUccess” in the “Student Services” pagelet of MySlice or the “Tools” panel of Blackboard, or the Syracuse University Mobile app in the “Academics” menu. “Degree Works” is found in the MySlice applications pagelet. More information is available at orangesuccess.syr.edu or dw.syr.edu.

EVENT SCHEDULE
HOW TO USE THIS SECTION

This section includes events that take place beginning with international student arrival on Thursday, Jan. 9, through Friday, Jan. 17. The events you are required to attend are marked with the \( \textcolor{red}{\textbf{R}} \) = Required symbol, so you will want to put those events into your planner first.

Many activities are University-wide and others are specific to your individual school or college.

Activities are for all new undergraduate students—this means both first-year and transfer students. Any activity that is specifically for transfer students will state this clearly in the event title.

MEET THE STUDENT LEADERS
Welcome from the Student Leaders

As the 2020 Winter Welcome Orientation Leader Team, we would like to welcome you to the Syracuse University community! Our team represents a group of upper-division students who serve as your ambassadors for Winter Welcome. We are dedicated to helping you make a smooth transition to college life.

We’ve been in your place and know that coming to college can be stressful and nerve-racking, but don’t worry because we are here for you. We will be here for you during every step of your transition, including answering any questions and joining you at Winter Welcome events.

The Alma Mater

Where the vale of Onondaga
Meets the eastern sky
Proudly stands our Alma Mater
On her hilltop high.

Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.

When the evening twilight deepens
and the shadows fall,
Linger long the golden sunbeams
on the western wall.

Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.

When the shades of life shall gather,
dark the heart may be,
Still the ray of youth and love shall
linger long o’er thee.

Flag we love, Orange,
Float for aye,
Old Syracuse o’er thee!
Loyal be thy sons and daughters
To thy memory.

— Junius W. Stevens
