

# HIGHLIGHTS

## OF INDIVIDUAL SCHOOL AND COLLEGE EVENTS

### SCHOOL OF ARCHITECTURE (SOA)

201 Slocum Hall  
315-443-2256  
soa.syr.edu

As the fourth oldest program of architecture in the United States, Syracuse University's School of Architecture has a long tradition of quality professional education in the design arts. The School of Architecture prepares students to make lasting contributions to society through a unique educational approach that provides students with an understanding of the arts and humanities, as well as a technical understanding of structures and construction.
