

BANKS AND ATMS

Four banks are located near the campus area: Alliance Bank, JPMorgan Chase, HSBC, and M&T Bank. Two additional banks, Key Bank and Bank of America, are located within a short driving distance from the University.

For your convenience, you may wish to establish a personal bank account with a local bank prior to your arrival on campus. Information concerning types of accounts available, minimum deposits, and required identification to open the accounts is available from each bank. Contact information for each bank is listed below. For additional information, call the Treasurer's Office at 315-443-2474, or go to <http://treasurer.syr.edu> and choose "bank/ATM info" on the left navigation bar.

Please note: local banks will not cash your personal checks unless you have an account with them. Therefore, you will want to plan ahead and establish an account to have access to funds via an ATM machine, or bring traveller's checks to campus to ensure ready access to money.

Syracuse University owns many ATMs on campus. The transaction service charge varies, with a maximum of \$1.50. Contact your bank to determine if they charge any additional ATM service fees.
