

## **Gas Stations**

### **Mobil Station (Nottingham Road)**

Follow Comstock Avenue\* south to East Colvin Street. Take a left onto East Colvin Street, and a left onto Nottingham Road. The Mobil Station is down the road on your right.

### **Mobil Station and Sunoco Station (Erie Boulevard at Teall Avenue)**

Follow Walnut Avenue or Crouse Avenue north to Erie Boulevard. Take a right onto Erie Boulevard and at the intersection with Teall Ave/Columbus Ave you will see a Mobil Station and a Sunoco Station to your left on the other side of Erie Boulevard. *When returning to campus via Erie Blvd., take University Avenue (between Walnut and Crouse) back to campus.*

### **Hess Station (Erie Blvd. and State Street)**

Follow Walnut Avenue or Crouse Avenue north to Harrison St. Take a left to State Street. Go right onto State Street and you will see the Hess Station a few blocks down on your right. *As you return to campus, remember that Harrison Street is one way and cannot be used to return to the University area. Instead, follow State Street one block past Harrison to Adams Street and take a left.*
