

## Transfer Credit Resources

If you have questions regarding the transfer of credits, you should contact your college advising office. It is recommended that you have your college catalog and/or syllabi describing the courses in question when you talk with your college representative. If you took courses after your transfer credit evaluation was completed, please have your former school send TWO official transcripts to your college. Following is the list of college staff members you can call for assistance.

<b>Architecture</b> Karen Holl 201 Slocum Hall 315-443-5075	<b>Information Studies</b> Elaine Morgan 114 Hinds Hall 315-443-6137
